Dear Martin

I have been informed by the Caboolture Writers' Group of your award for for dedication to writing and I would like to pass along my congratulations.

I understand that you have written over 40 books during the course of your career which is quite an achievement as well as being a member of the Caboolture Writers' Links for over 10 years. Such dedication is to be rewarded. It's always wonderful to see talented people such as yourself join in with local community groups.

Once again, congratulations on your achievement.

Yours sincerely

**ADAM HAIN**  
Division 3 Councillor
